

“Fast4ward”
Your First 96 Hours to Fast-Start You to Success

Welcome to Ariix and Team Rock Solid!

We are so proud you have joined our team of incredible leaders, who together with the Ariix “No Compromise” health & anti-aging products and award-winning compensation plan, are taking this industry by storm!

You have just opened the doors to an opportunity to change your life, the lives of your family, your community, and the world in the areas of health & anti-aging, finance, leadership, and personal development. Whether that’s providing you and those you love with the best health of your life and latest products to help you look and stay younger longer, creating part-time supplemental income, giving you the time to be able to finally enjoy a new hobby or “bucket list” experience, or creating the opportunity to replace a full-time income and cut away completely from the daily grind of the traditional work-eat-sleep-repeat routine, Ariix can give you the chance to unleash the human potential within!

The first few steps to your new future in network marketing can sometimes be a bit overwhelming, so we want you to know that we are here to help you start off strong, on the right foot, and help you grow your business into a great success. In addition, we want to present to you with the outstanding resources and online tools that will help get you organized, educated, and plugged in so your chances of success in your health and your business are truly maximized. Our Fast4ward program supports and guides you through your first 96 hours to fast-start you to success and get you up to speed. Simply follow the steps below over the next 4 days and check off the boxes as you get yourself set-up, plugged in, and on your way to reaching your goals in health, wealth, and/or personal development.

Getting Started with Fast4ward:

1. SET UP YOUR ARIIX XOFFICE

The first step in your exciting new journey is to get yourself all set up online. You will need your Ariix ID number to set up your Ariix Xoffice. You should have received that ID number in a welcome email from Ariix immediately after signing up as an Ariix distributor. If you did not receive an email, contact your sponsor or rep support at 1-855-Go-Ariix.

A. Set Up Your Password:

To get started, the very first step is to set up your Ariix Xoffice. This site is your resource center to get product information, order products, see your Ariix

earnings, and enroll new reps. It also houses trainings and lot of other great tools and resources, so poke around in it and learn all that it has to offer.

Here is the info you need to log on:

Go to: www.ariix.com

Click on “XOffice” in the upper right corner, or if on a mobile device, click the drop-down box in the upper right corner and then click on “XOffice” to log in.

Click on “Register for Ariix XOffice”

You will need your Ariix Representative ID#: Get this from the welcome email Ariix sent you, or from your sponsor.

The system will prompt you to set up a password.

Be sure to keep your ID # and your password handy, as you will need this often to check in with your business and for access to the trainings, price lists, product info, and many other resources. You should log into your Xoffice often; it should be a part of your daily routine.

B. Set Up Your Direct Deposit: *DO NOT SKIP THIS STEP!

This is a very important step. Ariix utilizes direct deposit, *not* paper checks, so if they do not have your banking information, you will not receive payment for your work until this is set up. Do this immediately!

Simply log into your Ariix.com XOffice, click on the “My Account” tab, then click on the “Direct Deposit” tab and fill out the information. Now, you are set up to get paid! Note: If you have not done so, as soon as you do, you will receive any back pay owed.

C. Set Up Your Slenderiiz Customer Site

We have developed a great tool with short 2-3 minute videos to watch and learn how to get set up properly for great success:

Log onto: www.drjingerdemo.com

Username: demo

Password: demo

On the left hand side, you will see a list of tabs. Click on the “Video Training.” Then click on the dropdown box that reads, “Ariix Simple Steps.”

Note: In your Xoffice, you will find this under the tab, “Replicated Site”

Video 1. Ariix Introduction (to the Simple Steps)

Video 2. Back Office Keys

This is a key video to watch, as it shows the important items to be familiar with in your Ariix back office.

Your Slenderiiz Site

If you have a customer that wants to just order products, you/they can order them through YOUR new Ariix Slenderiiz site. Watch Video 3 on how to set up your site. (Note: When choosing a user name, you can use your name or pick another fun name like FatLoss or anything of your choosing.) Using Video 4, you can learn how to either order product for retail customers through your site or give them your link and send them to your site to order themselves and the product sales will be linked back to you. Your site link will be: [www.slenderiiz.com/\(the name you choose\)](http://www.slenderiiz.com/(the name you choose)). Keep in mind, this site sells the product at retail prices. If your customer wants to be a "preferred customer" and purchase product at a 15% discount, watch Video 5 on how they sign up to be a preferred customer. If you have a customer that would like to save 30-45% and become a distributor, watch Video 6 on how to set up a business customer. Note: In your Xoffice, you will find this under the tab, “Replicated Site.”

Video 3. Slenderiiz Set-up

Video 4. Slenderiiz Retail Customer

Video 5. Slenderiiz Preferred Customer

Video 6. Slenderiiz Business Customer

Note: You can choose to set up other brand sites as well (Nutrifii, Revive, Puritii, Prime, and even the business opportunity), but we start out just using the Slenderiiz site to keep it simple, as it has all of the Ariix brands on this one site.

2. GET TRAINED WITH THE B.O.S. TRAINING

Be sure to explore and watch this great foundational video training, the B.O.S. (Business Orientation System) that is found in your Ariix Xoffice. You will see the “B.O.S.” tab on the home page of your Xoffice.

3. GET PLUGGED IN!

Staying connected with the various ways we network with our leaders across the world is a very important step in your success and we have several ways to do so:

A. Participate in Our Facebook Groups

We have 3 Team Rock Solid Facebook groups to keep you plugged in and in contact with other members of the team. If you were not automatically added to these groups, contact your sponsor and ask them to have you added or add yourself and the admin with approve. Please note the specific roles of each group, i.e., do not post health questions in the business or action groups.

1. **Rock Solid Ariix**- This is our Team Rock Solid group and is where ideas are shared, meetings are posted, team promotions are announced, and questions are asked and answered about the business.
2. **Rock Solid Action**- a group to help create massive action and momentum on your team. Action breeds action. Momentum breeds momentum. Every time you take a positive action step for your Ariix business, post it to this group to help inspire others to take action and do the same. Many have garnered great tips to build their business by seeing what others are doing that works. Successful people keep moving, so when you take action, share it with us! We reward the action steps by others posted on this group, not the outcome.
3. **The Daily Apple** An excellent Team Rock Solid resource for you and your customers with Ariix product and health tips, as well as customer success stories and questions answered by our team; many of whom have had great experience with the products and/or are health coaches, doctors, trainers or other types of healthcare practitioners. Add your customers to this group to learn more about the Ariix products they are taking and encourage them to post their successes! Simply by being a part of the group, they will see other incredible success stories from all over the country and learn about additional products, as well as get questions answered by our experienced team.

4.

B. Sign Up for The Periscope App

We use the new Periscope app to live-stream our weekly meetings, special trainings, and health tips. So, if you are not able to attend a meeting, live out of state, or are on the road, it is a great way to stay plugged in and learn how to successfully conduct a home presentation as well as tune into any rep training

we conduct, including events where executives from the corporate office come to present. Dr. Ginger also gives out live Periscope health tips through her periscope account.

To use Periscope, go to your app store or Google, “Periscope” and download the free app on your phone or mobile device- ipad, etc. Follow the instructions to sign up (note: most use their phone number, but you can also use your Twitter account) Once you are all signed up, follow “Aaron Decker” to watch the live weekly presentations and also follow “The Dr. Ginger” to watch her health tips. Once recorded, the videos are up for viewing for just 24 hours and then they disappear. You must be following Aaron and Dr. Ginger BEFORE they air the next live video in order to watch it. If, for example, you sign up *after* their Wednesday 7pm ET home meeting of that week, you will not be able to view it, since you were not following them *before* they shot the live video. So go sign up for the app and follow Aaron and Dr. Ginger *now* and you won’t miss a thing! For more details on how to use Periscope, log on to www.periscope.tv

C. Listen In On Our Weekly Team Call

Every Monday night at 8:30ET for about 30 minutes, join us as we announce new events and other pertinent issues, share leadership tips and motivation, as well as hear from others in the field who are having success with their health and/or want to share their unique ways they are growing their businesses.

Call in at 712-432-0075 and use pin 260895# every Monday at 8:30-9pmET.

If you receive a text about this Monday night call from your sponsor, be sure to text it to your teammates so they can be on the call as well.

4. SET YOUR GOALS

What is your primary focus? Health, wealth, or both?

What are your passions and purpose?

Answer these questions and set 30, 60 and 90-day goals.

Set 1 year and 5 year goals

(Video coming soon on goals!)

Your first business goal:

If you would like to get your products for free and plan to take advantage of the incredible opportunity this company has to offer, one of your first goals should be to “get your 4.” That means find 4 people who want to get healthy or start their own business- whether they become a distributor, become a preferred customer, or you have 4 customers during your cycle week that

purchase a minimum of 75 points each, you can then earn enough to receive your monthly 75-point products for free.

5. CREATE YOUR LISTS

Creating your lists is the first step to really starting your business. So write down a list of everyone you know who could improve their health, lose weight, or already helps others do so- personal trainers, health coaches, spa and salon owners, doctors, etc. Perhaps someone you know is looking for a career change, would appreciate extra income, or is retiring but doesn't want to just sit home and do nothing. Perhaps it's the stay at home mom or someone you know with an entrepreneur spirit. *Don't prejudge anyone.* We have doctors, lawyers, business owners, single moms- you name it- succeeding in Ariix. The sky is the limit for that person who has the desire to make things happen. Also keep in mind, someone who starts out simply as a product customer who achieves success may very well want to join as a business partner in the near future. (Helpful video coming soon)

6. EXPOSE OTHERS TO ARIIX ASAP

The fastest way to build your business is to expose others to Ariix quickly. Call them, arrange presentations, coordinate 3-way calls with you and your sponsor, get others to weekly presentations in your area, take out a booth at a health expo, connect others to our weekly Wednesday night Periscope presentations, make social media posts, send them PDF's of specific products they may be interested in or videos from the Ariix Corporate You Tube Channel <https://m.youtube.com/user/ARIIXCORPORATE> to help educate them on products and/or the comp plan, if they are interested in the business. *Take action every day* and fill your funnel. If you do this, within 30 days you will see things really start to take off. Do something *every single day* to expose others to the products and the business if you want to see success in your business.

7. BECOME A PRODUCT OF THE PRODUCTS

You are now part of our Ariix team and have access to incredible products that have a proven track record of success. You were attracted to this company most likely for the quality of the products, the successes they have brought in weight loss and overall health for so many, the "no compromise" attitude when it comes to ingredients, as well as the outstanding compensation plan and stellar history of the executives that founded Ariix.

Now it is *your turn* to become a product of the products, if you haven't already. You are a walking advertisement for the Ariix products and their success. If you have not yet reached your goals in terms of weight loss or other health issues, just keep doing the things you know you need to do and keep taking your

products. They do no good in the bottles and you know from all the successes you have seen that they definitely work. Your efforts *will* pay off. Feel free to reach out to your sponsor or other teammates for help, encouragement, and accountability. We are all here to help you succeed in every way!

When you become a product of the product, it becomes so easy to share with others. You feel great, you look great, and perhaps even your bank account looks better than it has in the past. Your passion will show and others will want exactly what you have. We sell incredible products to end consumers and by your own testimony and story, you will be able to help many other customers get started on their own health journey.

8. UTILIZE THIS OPTIONAL TOOL TO HELP

We also offer an additional, optional tool to help your customers stay on track and learn more about healthy food and other pertinent health issues via the online Fat Funeral Detox program. This program provides Dr. Ginger's health trainings, videos, special reports, such as the *Shake Down Report* and the *Vitamin Robber's Report*, recipes, etc., and other trainings and essentially helps to babysit your customers and keep them motivated, educated, and on track.

If you choose to join the Fat Funeral Detox program as a rep (through the link www.drgingermarketing.com) you can then give Dr. Ginger's Fat Funeral Detox online health education program to your customers for FREE, if you choose. Through a unique link assigned to you, you can also cold market and get others to market your unique link (your affiliates) or even send someone to the www.fatfuneraldetox.com/YourUserName site and when they sign up for the program, YOU will get paid a portion of the cost (up to 50%) for that referral. In addition, *you* will make the money on any of products that they choose to buy through that unique link that is linked back to you and your Ariix business. You also get a website similar to that of the demo site (but all the parts/links/buttons are active), so not only do you get what you see right now on the www.drgingerdemo.com site in terms of team training, but you also have access like a customer does to all of Dr. Ginger health trainings, reports, recipes, etc. as well as additional leadership and personal development training.

(Video coming soon)

9. START TODAY- DON'T PUT OFF THE FAST4WARD STEPS

We designed Fast4ward to help you jump-start your success, so start taking some action today! Faster is definitely easier, but feel free to go at your own pace and don't compare yourself to others in health success or even business success. Every *body* is different. Some may see immediate weight loss in the first week, some may not see it until week 2. Some may have more time to commit to

meetings, calls, and other business-building action steps. Don't let anything discourage you.

10. REACH OUT TO OTHERS FOR HELP

If you feel overwhelmed or some of your efforts are not going as expected, do not hesitate to reach out to your sponsor, other teammates, or even us for support, direction, and encouragement. We all have various experiences and skills to share and help guide you to your success.

Take advantage of any or all of the above tools to explode your Ariix business. Ariix can offer you the freedom to live life on your own terms and grow your business to any level you choose.

We look forward to meeting you in person, if we haven't already, and know that we are committed to helping you achieve your goals and achieving your unfulfilled health, financial, and personal development dreams!

Your friends and partners in success to help you grow, grow, grow,

Aaron & Dr. Ginger Decker
